

Gage Golish

13 Stewart Court, Sullivan, IN 47882 • (812) 564-9050 • ggolish@sycamores.indstate.edu

OBJECTIVE

To obtain a software development internship where my skills in computer programming can be utilized effectively

EDUCATION

Indiana State University, Terre Haute IN

August 2018 - Present

- M.S. Computer Science, expected May 2020
- Current courses: Computer Networks II, Machine Learning / Data Science, Python Programming

August 2014 – May 2018

- B.S. Computer Science, May 2018
- Major GPA: 3.798

SKILLS

- **Programming languages:** C, Python, C++
- **Operating Systems:** Linux, Windows
- **Database Integration:** SQLite3, MySQL
- **Projects:** <https://github.com/ggolish>
- **Mathematics:** Calculus, Discrete Structures, Linear Algebra

WORK EXPERIENCE

Indiana State University, 200 N 7th St, Terre Haute, IN 47809

(812) 237-6311

Graduate Assistant, Department of Mathematics and Computer Science

August 2018– Present

- Instruct a sophomore level undergraduate computer science course
- Assist undergraduate computer science students with homework and projects
- Perform any other tasks assigned by professors or program director

UNIX Lab Assistant, Department of Mathematics and Computer Science

September 2016 – May 2018

- Assisted undergraduate computer science students with homework and projects
- Operated department 3D printer

Undergraduate Research, Student Undergraduate Research Experiences Program

May 2016 – August 2016

- Conducted undergraduate research and presented results
- Configured and fine-tuned 3D printers, and assessed their usefulness to the University
- Used CAD software to design and print specialized components for research experiments

Math Tutor, Math and Writing Center

April 2016 – September 2016

- Tutored ISU students in College Algebra, Calculus I, and Calculus II
- Developed excellent communication skills with fellow students

NSWC Crane, 300 Highway 361, Crane, IN 47522

(812) 854-3239

Student Trainee

June 2016 – August 2016

- Participated in summer internship program aimed at science and engineering students
- Assigned to information technology department assisting system administrator in daily tasks
